RESPONSE TO THE WORD 437 (UMH) This Is My Song FINLANDIA

PRAYER OF CONFESSION

Good Father, justice is your governing principle. We desire to call ourselves a Christian nation, but we confess that we know of much faithlessness in our land. Too often we pray on Sunday and operate without thought of you throughout the week. Wash our eyes that we may see your visions of justice. Remind us that all people are our sisters and brothers and that when any suffer, we all suffer. Unite us as a people under your guidance because all power resides in you. Amen

ALL PRAY IN SILENCE

God has chosen and lifted up his people to be forgiven and restored. Praise be to God! Hallelujah!

Lord in your mercy... hear our prayer.

GIVING OUR TITHES AND OFFERINGS To God All Praise and Glory Ron Nelson

Sing praise to God, who reigns above, The God of all creation,
The God of pow'r, the God of love, The God of our salvation;
With healing balm my soul He fills, And ev'ry faithless murmur stills:
To God all praise and glory.

What God's almighty pow'r hath made, His gracious mercy keepeth;
By morning dawn or evening shade His watchful eye ne'er sleepeth;
Within the kingdom of His might, Lo! all is just and all is right:
To God all praise and glory.

The Lord is never far away, But through all grief distressing,
An ever-present help to stay, Our peace, and joy, and blessing:
As with a mother's tender hand, He leads his own, His chosen band:
To God all praise and glory.

Thus all my toilsome way along, I sing aloud Thy praises,
That man may hear the grateful song my voice unwearied raises;
Be joyful in the Lord, my heart, Both soul and body bear your part:
To God all praise and glory. Alleluia, Amen! (Frances E. Cox)

* WESLEY'S GRACE & DOXOLOGY OLD 100TH

Be present at our table, Lord; be here and everywhere adored; Thy creatures bless, and grant that we may feast in paradise with Thee.	Praise God from whom all blessings flow; praise Him, all creatures here below; praise Him above ye heavenly hosts, praise Father, Son, and Holy Ghost. Amen.
