Who Are We

As people of the church, we are committed to following Jesus with an authentic faith. We seek to be real and authentic in every part of our lives because we believe that Jesus wants to know us. We also believe that Jesus wants to meet us wherever we are in life. At Canterbury United Methodist Church, this is what it means to be in relationship with Christ. Jesus said the most important thing we can do is to love God with all our heart, soul, strength, and mind, and love our neighbor as our self. This simple yet profound statement represents the real grace and real love Jesus has for all people, particularly those whom the rest of the world often overlooks. This statement from Jesus also represents the very nature of who God is. Through sharing real grace and real love with people, Jesus brought healing into their lives. At Canterbury, we seek to follow Jesus' example, striving to share and experience real grace and real love in our real life.

Real Grace

Grace stands as a central tenant to our community. It is at the very core of who we are as children of God because it is part of our lives before we are even aware of it. We confess that we are each imperfect, regularly falling short of our own standards and God's. God loves us anyway just as we are. God initiates every relationship with us through grace. God's grace can never be earned, it is all gift. We, as God's children, strive to do the same with each other. We start with grace given to us by God. We live offering the same grace to ourselves and one another.

Real Love

In a world where people are sometimes criticized for being different, the people of the church are called to be intentionally different. Our Holy Scriptures remind us that we are all created in the image of God; and, if God is Love, then we are created in the image of love. God as revealed in Jesus Christ is what real love looks like. When we are most true to who we are created to be, we are loving. At Canterbury, we seek to embody that love is patient and kind ... and we particularly like it best when it is a verb.

Real Life

God constantly invites us into a life of full connection with God and others through Jesus Christ. This is the real life we are created for. Nothing but relationship with God and each other will truly satisfy the longing inside us. We believe this is the path to real, abundant life. Our desire is to walk this path together.

Welcome to Canterbury

We are so glad you chose to worship with us today!

We want you to feel at home. Through close relationships, the study of scripture, education, and caring for others, our goal is to connect you to God, each other, and His world in a real and meaningful way. We want to be a place where you will meet Jesus exactly where you are. You will find a community of real people, led by leaders who express their real experiences to help renew and empower you to follow Him. So no matter where you are in life, we invite you to come as you are and to live for something greater. If you need help finding your way around, we have welcome guides located at our main entrances and outside the worship areas. We look forward to connecting with you!
